

PASA Nov 4 2012 ASCA Pre-National Trial General Information

Check-in Schedule

DAILY Check in/measure in:	6:30 – 7:00AM
Briefing:	7:00AM
First walk through:	7:15AM
First Dog on the line:	7:30AM [Please note earlier start time due to Daylight Savings Time Change]

You must measure in if:

✓ You are jumping at 20" or under in Standard (16" in Veterans) [New rules as of Feb 2012]

If you have a copy of a permanent height card that shows the dog's actual height from another organization, you may present that at check in.

There are 238 dogs entered with a total of 1174 runs in 3 rings. How can you single-handedly help us finish in time for a long hot shower and leisurely dinner?

- ✓ Check in at the gate for each class while you are doing your walkthrough.
- ✓ If you are NOT within 5 dogs of running, please stay OUT of the congested area between the rings.
- ✓ **If you ARE within 5 dogs of running, go to and STAY IN the congested area between the rings.**
- ✓ **LISTEN to the gate steward!**
- ✓ Smile at the score tables. And have fun!

Scoring, Questions, Problems

We will post the results of your runs as quickly as we can. Please DO check them right away if you have any questions about your run, or if it's a leg of particular importance to you. It's true the score table is a busy place that needs to do its job without unnecessary interruptions; however it is also true that you are our reason for being there.

Move-ups

No move ups will be allowed.

Dog Poop

'Nuff said.

We're trying to be Green!

Water will be provided but you must bring your own container (we're trying to be more Green, so we have cut back on water bottles). We will have some PASA water bottles available for sale.

ATCHs, and other Big titles

If you think you may earn an ATCH, please let us know in advance so we can be prepared to party! Please send an email to justforkix2004@aol.com so we'll have your team's sticker ready to personalize your ATCH pole.

Ring Order

Rings will run as listed below. Elite has been split into 3 groups to facilitate running order.

Elite A: All dogs jumping 16" and below

Elite B: Dogs A-L (plus Jrs and a couple others)

Elite C: Dogs M-Z

Areas in the grid where you see a blank line all the way across is where we expect rings synchronize. If you can't run with your rotation, just let the gate steward know. We'll run you where we can. Don't Panic!

Novice and Open dogs will swap between Regular and Jumpers. Elite rotations will only be in one ring at a time. We need to allow time for workers! And on that note, each rotation will subdivide – the first ½ will work for the 2nd half and vise-versa.

Elite: If you have dogs in multiple rotations, pick one rotation and stay with that. We'll adjust things at the gate.
